Welcome and Introductions

The meeting began at 11:05 a.m. with Connie Smith, Chair presiding

Welcome and introductions were made.

Minutes-May 16, 2013 meeting

Motion was made by Libby Taylor and seconded by Chief Ron Rice to approve the minutes of the May 16, 2013 meeting. Motion passed.

Executive Director Report-Van Ingram

The NSDUH report (Non-medical use of pain medications) 01/08/2013.

In the past, Kentucky was in the top 10 states and now is 31-(Usage per 100,000 population)
This trend shows positive response to HB1 and the work is paying off.
Kentucky has shared the language in HB1 with states requesting help in dealing with prescription drug abuse so they can replicate in similar legislation.

ODCP, UK, CE Central, UNITE and ARC partnered to offer 4 HB1 Trainings to physicians and all prescribers in Manchester, Paintsville, Morehead and Bowling Green for Prescription Drug Use/Abuse. These trainings were mandated in HB1. The trainings are now offered online to those physicians and who could not attend.

ODCP, UNITE and the KY Coalition of Nurse Practitioners & Nurse Midwives held training at the University of Kentucky. This was a higher degree of training. This will be offered online soon to physicians.

The Overdose Death Report is now available for 2012. The data was compiled from Medical Examiner, Vital Statistics, KY Emergency room data. There were 1,004 Overdose deaths in Kentucky in 2012, down 19 from 2011. The largest was Campbell Co. with 25 deaths; Floyd County had 23 fewer deaths. This could be attributed to the closing of pain clinics in that area. Eastern Kentucky has the highest per capita with 85. This is based on 100,000 per capita.

Heroin overdoses are at 550%. Most deaths are from multi-drug use and the toxicity among the combined drugs.

With the prescription Opiate abuse trend going down, the next trend to follow will be Heroin.

Van spoke with Dave Hopkins, KASPER and was told that prescribing dosage units are down. Hydrocodone down 10.3%, Oxycodone down 11.6%, Oxymorphone down 35% and Naproxalone down 7% while NEHD meds are up 7.5%-9% while controlled drugs are down 8.5%.

Narcan is increasing availability. Van met with LRC staff to make changes to the bill in 2014 that will allow EMT's and Law enforcement to have access to Narcan.

The Daviess County Coroner Prescription Drug Policy states that police officers may collect prescription drugs from the home of the deceased when they respond to the scene, will be presented next meeting by board member, Jeff Jones.

Marijuana Summit for Prevention Professionals Summit presented by Dianne McFarling , RiverValley Behavioral Health, Marijuana PES

Dianne McFarling presented the highlights of the Summit held on June 20-21, 2013 in Frankfort. Thirty-two participants from law enforcement, military, Regional Prevention Centers, KY-ASAP Board Members, Court system, Schools, HIDTA and Division of Behavioral Health were in attendance.

Co-sponsored by Office of Drug Control Policy and Kentucky Marijuana Prevention Enhancement Site and UNITE, covering Marijuana in Kentucky.

The Summit covered:

- Domestic production
- Trafficking
- Diversion
- Problems associated with its use-brain development, schizophrenia, depression and anxiety
- Increase in potency of marijuana

- Efforts to legalize marijuana
- Societal shifts that aid in the increase of use and the costs
- Medical marijuana and the States that have legalized it with the qualifying conditions to permit its use
- How Kentucky would be affected by the recently proposed legislation in other state
- Impact on criminal justice system/prisons
- Black market
- Advocacy, education, lobbying are assets
- Contact elected officials

Partnership for a Drug-Free Kentucky-Heather Wainscott

The 2013-2014 Alliance renewal is \$5,000.00 reduced from \$10,000.00 last year. New contract has been signed.

The Beta distribution has been changed to digital in Kentucky in the lobbies of all theatres which Heather distributed throughout the state.

Partnership PSA's are being shown nationally in theatres.

PSA-"Damaged Circuits" PSA as well as the 2 other PSA's were shown to the board.

KY-ASAP Report-Amy Andrews

Amy presented the financial report

Local Boards SYF 2014 Awards are \$13,500 per county.

Permanent Prescription Drug Disposal Box locations (95) are located was provided to board members. Also provided was a list with addresses, time of use and phone numbers of each location. As of 8/14/2013, there are 149 locations in 97 counties. This list is periodically updated and can be found on the ODCP website: www.odcp.ky.gov

New Business:

Ellen Kershaw: Smoke-free Kentucky Campaign is seeking second-hand smoke people that will tell their experience and share their stories.

This will help to communicate to the legislators the need for the Smoke-free bill.

Lola Patterson-Watts: Congressman Rogers and First Lady Jane Beshear will unveil the Hope Wall-August 16th

Meth Training will be held in Hazard, October 17th at 2:00 at the Hazard Community College

In September Recovery Rally will be held at Hazard Community College.

Old Business:

Next meeting will be held on November 14, 2013

Adjournment

Motion by Lola Patterson-Watts and seconded by Ellen Kershaw to adjourn.

Motions passed and the meeting was adjourned at 12:05

Recorder of Minutes: Berry Hammermeister
